Shadia spoke at our church's Girls Night Out event and the ladies loved her! After her introduction to the study (we are starting her study on HAGAR), Shadia did a Q & A. I love these because you have an opportunity to get to know the speaker on a more personal basis. One group bought a case of books. I'm ordering more for our home group as well. Shadia is a terrific speaker! -FRANCINE RIVERS, International best-selling author

"Shadia's heart for Christ and her vulnerability and honesty in sharing her story drew us in and reminded us of the redemptive and powerful love of God. In addition to being a powerful speaker, Shadia was an absolute joy to work with from our first contact all the way through the event. Having Shadia participate in your event will be an incredible blessing and will lead to hearts and lives being impacted for God's glory!" - SARA BURRIS, Executive Director, Island Pregnancy Care Clinics Langley, WA
